The Honorable Michael Copeland  
Mayor, City of Olathe  
100 East Santa Fe Street  
Olathe, Kansas 66061

Case No: MICS 30056V  
Community: City of Olathe, Kansas  
Community No.: 200173  
Effective Date: August 4, 2009  
LOMC-VALID

JUL 23 2009

Dear Mayor Copeland:

This letter revalidates the determinations for properties and/or structures in the referenced community as described in the Letters of Map Change (LOMCs) previously issued by the Department of Homeland Security's Federal Emergency Management Agency (FEMA) on the dates listed on the enclosed table. As of the effective date shown above, these LOMCs will revise the effective National Flood Insurance Program (NFIP) map dated August 3, 2009 for the referenced community, and will remain in effect until superseded by a revision to the NFIP map panel on which the property is located. The FEMA case number, property identifier, NFIP map panel number, and current flood insurance zone for the revalidated LOMCs are listed on the enclosed table.

Because these LOMCs will not be printed or distributed to primary map users, such as local insurance agents and mortgage lenders, your community will serve as a repository for this new data. We encourage you to disseminate the information reflected by this letter throughout your community so that interested persons, such as property owners, local insurance agents, and mortgage lenders, may benefit from the information.

For information relating to LOMCs not listed on the enclosed table or to obtain copies of previously issued LOMR-Fs and LOMAs, if needed, please contact our Map Assistance Center, toll free, at 1-877-FEMA-MAP (1-877-336-2627).

Sincerely,

William R. Blanton Jr., CFM, Chief  
Engineering Management Branch  
Mitigation Directorate

Enclosure
