

Indian Creek – Lindenwood, Jamestown to Arrowhead, Stormwater Improvements
City Project #2-C-016-22

Community Notification

The City of Olathe is applying for a Conditional Letter of Map Revision (CLOMR) from the Federal Emergency Management Agency (DHS-FEMA) to revise Firm 20091C, Panel 0094G for Olathe, Kansas along Indian Creek.

The project is proposing bridge construction and replacements, as well as grading to alleviate flooding.

Once the project has been completed, a Letter of Map Revision (LOMR) request should be submitted that will, in part, revise the following flood hazards along Indian Creek:

1. The floodway would be revised from a point approximately 950 feet south (upstream) of Pawnee Drive to a point approximately 50 feet north (downstream) of Sheridan Dr.
2. Base Flood Elevations will increase / decrease along Indian Creek.
3. The Special Flood Hazard area will increase / decrease along Indian Creek.

Maps and detailed analysis of the revision can be reviewed at the City of Olathe, Robinson Campus, at 1385 S. Robinson Drive, Olathe, KS 66061.

Interested persons may call the City's project manager, Neil Meredith at 913-971-9075 for additional information from 8 am to 5 pm, Monday through Friday.
