2015 Q4 BUILDING PERMIT STATISTICS SUMMARY

City of Olathe Public Works, City Planning Division

The residential building permit statistics for the third quarter of 2015 are comparable when compared to the third quarters of 2014 and 2013. Multi-family figures for the third quarter of 2015 decreased slightly compared to the third quarters of 2014 and 2013, while single-family figures for the same time were higher than previous years. Commercial and office permits issued in the third quarter of 2015 were slightly higher than the number of commercial and office permits for third quarters of 2014 and 2013. One industrial permit was issued during the third quarter of 2015, compared to 1 for 2014 and none for 2013. Ten public building permits were issued in the third quarter of 2015, compared to 20 and 6 permits in the third quarters of 2014 and 2013, respectively.

Residential Building Permits

- In the third quarter of 2015, 154 single-family permits and 1 duplex permit were issued with a construction value of \$85.76 million. This compares to 126 single-family and 8 duplex permits issued in the third quarter of 2014, and 106 single-family and 18 duplex permits issued in the same period in 2013. The number of single-family and duplex permits and the construction values were much greater in the third quarter of 2015 when compared to the third quarters of 2014 and 2013.
- There were 4 multi-family units permitted in the third quarter of 2015 with a construction value of \$1.80 million. Fourteen multi-family units were permitted in the third quarter of 2014 and ten in 2013.

Commercial Building Permits

- Two commercial permits were issued in the third quarter of 2015 for 15,000 square feet with a construction value of \$1.47 million. In the third quarter of 2014, 1 commercial permit was issued for 437 square feet and a construction value of \$152,700. The third quarter of 2013 had 2 permits issued for 3,500 square feet and a construction value of \$174,496.

Office Building Permits

- Two office permits were issued during the third quarter of 2015 with a construction value of \$1.47 million. No office permits were issued during the third quarter of 2014. One office permit was issued in the third quarter of 2013 for 5,269 sq. ft. and a construction value of \$1.28 million.

Industrial Building Permits

- One industrial permit was issued during the third quarter of 2015 for 56,475 square feet and a construction value of \$2.19 million. One industrial permit was issued in the third quarter of 2014 for 33,525 square feet with a construction value of \$4.28 million. No industrial permits were issued in the third quarter of 2013.

Public Building Permits

- There were 10 public/other permits issued in the third quarter of 2015 for 884,381 square feet, with a construction value of \$61.84 million.
- This compares to 20 permits issued in the third quarter of 2014 for 169,070 square feet, with a construction value of \$25.92 million. In the third quarter of 2013, 6 permits were issued for 11,135 square feet with a value of \$1.51 million.

Population Estimate

The population growth is lower in the third quarter of 2015 than it was in the third quarter of 2014 and slightly higher than the third quarter of 2013. In the third quarter of 2015, 479 new residents were added to the City; this compares to 960 added in the third quarter of 2014, and 458 added in the third quarter of 2013.

- The number of residents estimated to be added to the City of Olathe within the past five years (between the end of 2009 and the end of 2014) is 7,081.
- The total population estimated including the fourth quarter of 2014 is 132,437.
- The population figures have been recalibrated to reflect the 2010 Census number of 126,354. Previous and subsequent population estimates have been adjusted accordingly.
- The 2010 Census data household size of 2.80 and the vacancy rate of 5.0. These rates changed from the reported household size 2.83 and vacancy rate of 3.1 reported in the 2000 Census.
